

Guide on how to register your tour Operation Company or hotel on Tashel System

Note: Before you can register online you must submit a license copy of your establishment to TCB to update your company details in Tashel Database

1. Register as Tour Operator

- Visit beta.tashel.gov.bt
- Under the mini window “Register New User” click on the button labeled “Tour Operator”
- Complete the form
- Create Username and Password
- Accept the User Agreement
- Click Register

Once you are registered the Tashel Administrator will verify and approve your registration within 1 working day.

2. Register as Hotel

- Visit beta.tashel.gov.bt
- Under the mini window “Register New User” click on the button labeled “Hotel”
- Complete the form
- Create Username and Password
- Accept the User Agreement
- Click Register

Once you have registered the Tashel Administrator will verify and approve your registration within 1 working day.
